PERSONAL PROFILE

A Product Designer with an MSc in FinTech (Distinction) from Coventry University London and a BSc in Finance (Distinction) from National Economics University. Combines a background in finance and business with hands-on UI and UX work delivered through case studies and personal projects. Comfortable working with Figma and the Adobe Creative Suite, and keen to apply this mix of design and financial-services knowledge within a product team.

KEY SKILLS

Design Tools: Figma, Adobe Creative Suite

UX Methods: User Research, Surveys, Interviews, Wireframing, Prototyping, Usability Testing, Design Systems

Visual Design: UI Kits, Typography, Colour Systems, Iconography, Responsive Layouts

Domain Knowledge: FinTech, Retail Banking, Lending, Digital Financial Services

Languages: English (IELTS 7.5, C1), Vietnamese (Native)
